ABOUT UNITED ARTS COLLIER

United Arts Collier is designated by the State of Florida as the official Local Arts Agency for Collier County. UAC is the heart of the arts in Collier County and enhances our community. It serves as Collier's arts umbrella, like a chamber of commerce for the arts, and a uniting thread through all the arts in our community.

UAC develops mutually beneficial collaborations and partnerships among people, organizations, and businesses from all arts disciplines, which positively impact opportunities and growth for all in Collier and beyond.

Join us as we celebrate United Arts Collier's past, present, and future in this centennial year for Collier County and the City of Naples! We will be joined by a sky full of stars in the arts and this is going to be a community celebration you don't want to miss.
